"GOING TO" equivale a **"ir a"** en español. Se utiliza para expresar el futuro: Para planes concretos, cuando estamos seguros de que algo va a suceder, para indicar la intención de que algo suceda, para hacer predicciones.

* El verbo auxiliar **BE** siempre se debe usar: oraciones afirmativas, negativas y preguntas. Es usado conjugado, es decir, no se dice: **I be going to**, sino **I am going to**.

** El verbo siempre será en su base, no conjugado. Por ejemplo, **She is going to write an email**, no **She is going to writeS an email**, ya que el verbo es base.
